

Webmaster Committee Meeting Report – October 2023

Updates made to the 'new to caving' area – the recently produced leaflet has been added as a download.

New options added to the training booking process to allow for further information to be gathered at the time of booking. This is particularly helpful for new to caving events to get people clothing size etc. The organising club for new to caving events now also receive the booking confirmation emails automatically to make organisation smoother.

Twitter branding updated to 'X' and CNCC now also have a Threads account cos we're down wiv the kids.
