Matt/Andrew/Pete to provide verbal update on revised BCA funding rules (coming about partially as a result of CNCC proposals submitted last year), which may be accepted at the 11th January BCA Council meeting.

These are of significant relevance to the CNCC, as they could help alleviate concerns about future revenue streams. In a nutshell, these changes would enable the CNCC to claim back expenditure for activities which were previously considered to be disallowed (e.g. our newsletters, website, volunteer travel expenses etc).
