

# COUNCIL OF NORTHERN CAVING CLUBS

---

---

## Notification of Annual General Meeting 2018:

**Saturday 10<sup>th</sup> March 2018, Hellifield Village Institute, Hellifield, 10:00am**

All full member clubs please send a representative. A list of all current full members can be found here: <https://cncc.org.uk/get-involved/membership/current-clubs.php>

If your club is regularly involved in any aspect of northern caving but is not on the above list as a CNCC full member club, we strongly encourage you to apply to become a member:

<https://cncc.org.uk/get-involved/membership/apply.php>

As usual, voting representatives must bring a letter from a club official to authenticate them to deliver their club vote. This letter may be emailed to me in advance of the meeting instead.

There are 14 positions on the CNCC Committee available to full member clubs, and several Officer positions available to any interested individuals. The position of Individual Caver (IC) representative will also once again be up for election. Current Officers and Committee can be found here:

<https://cncc.org.uk/about/committee.php>

Our 'Get Involved' webpage explains more about these various roles:

<https://cncc.org.uk/get-involved/>

The deadline for providing me with notification of your intention to stand (or re-stand) for an Officer or Committee position (Including the IC Representative), is **Saturday 13<sup>th</sup> January**. Notification needs only be an informal email, ideally with a very short statement about why you are applying and any other relevant information. This will be circulated to all full members ahead of the meeting.

If you have any items you would like to see raised at the meeting, please let me know by the same deadline. The agenda will be available on the website no later than 27<sup>th</sup> January 2018.

**Remember, all CNCC meetings are open meetings, and anyone is welcome to attend.**

As you will have seen from our recent newsletters, we have some exciting initiatives the moment, including moves towards a new and more modern system of managed access, and implementation of the new CNCC anchor scheme. It would be great to welcome some new clubs to the Committee, new Officers to the team, or new individual attendees to come along and be part of this for 2018.

I am always happy to answer any questions, please just drop me an email.

Matt Ewles, Secretary, Council of Northern Caving Clubs
